THE REPUBLIC OF GEORGIA

June 8 – 22, 2023

Illuminated Journeys invites you to
Ancient Landscapes: A Pilgrimage to
THE REPUBLIC OF GEORGIA
June 8 – 22, 2023

WELCOME!

You are invited to join us not as a tourist, but as a pilgrim. Along the way you will be encouraged to approach each experience with contemplative awareness and each sacred site with care. Time will be given for learning, integration, meditation and interaction. As we journey together, we will focus on major themes in the Georgian spiritual tradition. Time will be spent exploring how those themes can be integrated into our lives.

Optional meditative sessions will include the music of the Taizé community, Georgian music, journaling, small group interaction, discussions with our leaders, Georgian music and prayer.

Because registration is limited to 15 participants, group size will encourage personal interaction in style and content.

When we are joined by local specialists, mythologists, archaeologists, artisans, musicians and storytellers to share experiences and offer guidance to us, there will be opportunities for interaction.

We are confident that your journey will be a fulfilling one. We have gone before you, having traveled to Georgia many times to meet with those who will join us as we go.

Accessibility: Many of the places we visit and explore reflect the rugged isolation of early Georgian hermits. In order to reach these sacred prayer cells, ritual sites and monasteries, we will often travel by foot. This pilgrimage is not recommended for those who have severe health problems or limited mobility.

June 6, 2023 – Tuesday – Fly to Tbilisi.

June 8 – Thursday

Following a pre-dawn arrival in Tbilisi and an early check-in at our hotel, we'll cross the threshold into the evocative history and landscape of Georgia with an excursion to the ancient capital city of Mtskheta and the 6th century church of Jvari. Lunch will be followed by a visit to St. Nino's cell and the Royal Garden of Samtavro. A brief group gathering before dinner at the hotel will provide a reflective time of welcome to this two-week pilgrimage.

A group gathering and dinner at a nearby restaurant complete this day.

Many monasteries in modern Georgia are named after 13 Assyrian monks active in Georgia in the 6th century. David Gareja was one of those early monks who established a 6th century monastic cave complex in the desert of Southeastern Georgia. Today's excursion takes us to this beautiful and unique monastic site where we will make the short hike up the hill and into the fresco-lined caves.
